THE SERVICES

RESIDENTIAL TILING

We are professional wall and floor tilers with projects spanning small splashback work in kitchens to outdoor and large multi-room tiling projects.

COMMERCIAL TILING

Supplying and installing tiles to reception areas and foyers, high rise offices, educational facilities, large factory units and commercial showrooms.

RENOVATIONS

Our dedication and focal point are on optimal commercial and residential tiling renovations that extend to all areas of the interiors and exteriors giving the customer a satisfaction.
